

# CAROC Independence Day Challenge at Autobahn Circuit Joliet

## July 3, 2009

The Chicago Alfa Romeo Owners Club invites you to participate in the 2009 CAROC Independence Day Challenge at Autobahn Circuit Joliet on Friday, July 3<sup>rd</sup>. Come enjoy the natural setting on the challenging south course and have lots of motor sports fun on an extended Holiday weekend. Registration and tech inspection will begin at 7AM. We will be sending out the first practice group at 8:45AM. The format will be open lapping by group in the morning and afternoon. Touring will be at noon and will run for approximately one hour. All lapping sessions will be timed using AMB transponders (included in the price). This allows us to provide many hours of track time for each participant. For safety reasons, no passing in corners. On track activities will wrap up at 5PM.

Car must pass safety tech inspection Fixed roll bars are mandatory for open cars only
